Attention Erika Harris
Art Unit 3634
Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Dear Ms. Harris;

This cover letter is in response to the Office Action.

I have made the changes suggested in the "Abstract" and the "Summary of the Invention", pages 1, 2, and 8.

I would like to request that the "Detailed Description of the Invention" first sent that refers to photographs (Pages 4, 5) be expunged, deleted. I have availed myself of a drafts person to do line drawings that are far clearer and more acceptable to the Patent Office. I would like to use the new "Detailed Description of the Invention" in its stead that I have previously sent (that refers to line drawings, Figure 1 and 2). There is no new material whatever.

If there is anything I can do to facilitate the action please do not hesitate to communicate it to me.

I thank you for your generous time and help.

Yours truly,

Eli Pine
